**Duke Affiliate GoPass Permit Application**

*Effective July 1, 2014, GoPass will be offered to eligible faculty, staff, and affiliates for an annual fee of \$25. For employees who currently have a 2013-14 GoPass, the change takes effect when the current GoPass expires in October and is renewed. This charge is not automatic; participating employees must opt to renew and pay \$25 to remain with the program and receive a new GoPass for 2014-15.*

**Eligibility:**

Duke is offering GoPass, a local and regional bus pass, to Duke faculty, staff, and eligible affiliates whose offices are on the East, West, Central and Medical Center campuses; the American Tobacco Campus or within one-half mile of the East, West, Central or Medical campuses. All undergraduate, graduate and professional school students are eligible. Employees and affiliates can check whether their office location falls within the eligibility area by reviewing the map available on our website at:

[http://parking.duke.edu/buses\\_vans/gopass/gopass\\_map.pdf](http://parking.duke.edu/buses_vans/gopass/gopass_map.pdf)

Affiliates who are conducting business or coursework at Duke as visiting scholars, Emeriti faculty, contractors, or vendors are eligible for the GoPass if the place of business is located within the above eligibility boundary. Unfortunately, the GoPass is not available to spouses or volunteers at this time.
